

AP-55 Disc Printing System

Automated Dual Printer System

- Fully Automated On-Demand Network System
- Install Up to (2) Hi-Res Thermal Re-transfer Disc Printers
- Bleed-Free and UV Stable
- Dye-sublimation/Thermal-Fusion Printing
- 300 CD or DVD Maximum Disc Capacity
- Includes Overcoating Function
- Supports Edge-to-Edge Borderless Printing

TEAC's AP-55 Dual Printer Disc publishing system is an on-demand network system that run automated operations for printing onto disc surface in high resolution photo color quality. TEAC's AP-55 automatically prints up to 300 Discs with a mix of CD or DVD discs.

The AP-55 can also handle various applications from low-volume production to mass production. Printed images offer excellent resistance to fading. Designed to install up to (2) TEAC P-55 printers.

The AP-55 dual printer system offers the ultimate high-precision robotic technology and high-resolution printing technology. The end result is a scratch-proof, water-proof disc with no color fading. Depending on the application, either the dye-sublimation or thermal fusion printing method can be selected from the same system.

Specifications

Model: AP-55

PRINTER

Printer Name: P-55B Thermal Printer
Supported Interface: USB 2.0
Printing Method: Thermal re-transfer printing or Dye-sublimation/Thermal-fusion
Print Resolution: 400dpi variable dot technology
Supported Media: TEAC designated thermal printable media
Printable Image Size: 12-cm CD/DVD
Installable Printers: Install Up to 2 Thermal Printers
Print Capacity: Color Ribbon..... Approx. 500 discs /ribbon
Black Ribbon..... Approx. 2000 discs /ribbon
Re-transfer Ribbon..... Approx. 500 discs /ribbon

LOADER

Supported Interface: RS-232C
Media Stock Capacity: Up to 300 discs
Disc Loading Method: Designated mechanism

GENERAL Specifications

Supported Systems: *Operating Systems:*
Windows 2000, XP Professional

Operating Environment: Temperature: 15°C - 30°C
Humidity: 30% - 70% (no condensation)

Power Requirement: 100VAC - 240VAC ±10%, 50/60Hz

External Dimensions: 20" W x 30.55" D x 21.73" H for 1 printer installed
20" W x 30.55" D x 22.52" H for 2 printers installed

Weight: 125 lbs for 1 printer installed
175 lbs for 2 printers installed

AP-55, Automated Dual Printer System shown here with 2 hi-resolution disc printers installed.

Note: Printers use TEAC designed thermal printable media.
